## THE AUSTRALIA ARRIVES.

## TUESDAY'S FLEET OF ISLAND STEAMERS GO OUT.

Items Alongshore—Big Passenger Lists—The Largest Sailing Vessel Launched—Other Items Today.

Busy day on Oceanic dock.

A murky sticky day alongshore.

Lets were in demand this afternoon.

The Oriental liner Peking is due tomorrow morning.

The lightning Kapaa express which goes to Keala this afternoon is being loaded at the Mail wharf.

The Keahou is taking one hundred and twenty-five tons of coal to Waimea and Eleiee plantations today.

The steamer Iwaleia is still on the marine railway. She will resume her Kaula route the end of the week.

The steamer Kinan took a big passenger list to Hawaii, and the Likelike was equally well loaded for Maui points.

The steamer Mikahala sailed for Kaula ports with her usual cargo of freight and a full list of passengers—every room taken and cots down besides.

The schooner Volant sailed from San Francisco June 29th for Hilo, the schooner Mary Dodge for Kahului and Fanning's Island July 14th, and the schooner Robert Lewers for this port July 6th.

The steamer Aaloun will leave Portland, Oregon, on or about August 1st for Yokohama, via Honolulu. Theo H. Davies & Co are the agents, to whom application should be made for freight and passage rates.

The steamship Australia was signaled at three o'clock yesterday afternoon off Waianae and docked at Oceanic wharf about half past five. She brings 34 cabin and 18 steerage passengers and an average cargo.

On June 8th there was launched at Geestmunde, Germany, a steel five-masted sailing vessel for Messrs F. Laeisz's (Hamburg) fleet. She was christened the Potosi. Her carrying capacity is 6000 tons and she is the largest sailing vessel at present afloat, the French five-master, France, being of smaller dimensions.

Complaints were numerous from inter-island voyagers today on account of the vast clouds of dust from the esplanade which made travelling to and from the wharves exceedingly disagreeable. It is thought by many that a sprinkler could be sent along the esplanade at least once a week—say Tuesday—to alleviate this nuisance.

The schooner Anna arrived in San Francisco, 27 days from Kaula on June 27th, the steamer Alameda from this port July 3rd, the brig J. D. Spreckels 16 days from Kaula July 3rd, the schooner Transit 19 days from this port July 5th, and the bark Alden Besse, 24 days from this port July 6th. The ship Charmer arrived in New York July 5th from this port in the quick trip of 99 days.

## REMEDIES.

To SEQUAH, Sir: I feel it my duty to inform you of the benefit I had derived from the use of your Remedies, Sequah's Cure and Oil. I have been troubled with Rheumatism ever since 1862 and since 1887. I have spent all I could earn in trying to cure myself but failed. I came to you in April unable to walk without the aid of sticks. The pains in my legs being fearful. I was treated by you in presence of several witnesses and received great relief. I continued the use of your remedies using only four bottles of Oil and two of the Cure, and now not only am I cured of the Rheumatism, but my limbs have become stronger, it is now nearly three months since receiving your treatment, and I feel all right. I was unable to work for 1 1/2 year (18 months) before coming to you, and I have now been at work for over five weeks past. I cannot find words to sufficiently thank you for the good your visit here has done me. I am yours gratefully,  
L. BEICKE, Blacksmith.
